Abstract

This data set contains responses to two connected mixed-methods surveys on musical care during the beginning of life in the UK. Some data has been redacted to protect respondents' anonymity.

The surveys are referred to in the paper: Spiro, N., Sanfilippo, K.R.M, Shaughnessy, C., Rowles, M., Coombes, E., Perkins, R., and Tredget, E. (2025), The landscape of musical care during the beginning of life in the United Kingdom: A mixed-methods survey study, BMC Complementary Medicine and Therapies
